

# Pacific Barista Series™

BARISTA INSPIRED. BARISTA APPROVED.™

Pacific Barista Series™ non-dairy beverages are designed for Professional Baristas. They are available exclusively through Specialty Coffee and Foodservice distributors. Your non-dairy customers want options. Pacific Barista Series™ Almond, Coconut and Soy help you demonstrate craftsmanship and quality to customers who order non-dairy.

## KEEPS FOCUS ON COFFEE

- Subtle flavor profiles
- Meticulously crafted to complement coffee and espresso
- Less sweetness than regular milk

## TAKES THE HEAT

- Each variety withstands the high heat of steaming
- No burnt or bitter notes
- Curdle-free — no separation in coffee or espresso
- Also works great in cold drinks

## GREAT TEXTURE

- Creates consistently smooth, glossy micro-foam
- Performs as well as (or even better than) dairy
- Perfect for latte art

## PACIFIC BARISTA SERIES™ - SOY

The most neutral flavor in the line - showcases coffee and espresso  
Made with Organic Soybeans.
